## Overview

LehmanBrown International Accountants, together with Atlas Blue Property, would like to invite you to our 'UK Residential Property Tax Outlook' event on Weds 27th May at the exclusive Beijing Capital Club.

UK residential property investment is booming at present and over the past year, we have seen over 21 Billion RMB invested into UK property from China alone. With this growing investment trend for UK property, a number of hot new builds and also the legislation update on Capital Gains Tax as of 6th April 2015; we would like to invite you to join us for a focussed outlook covering the key perspectives of projects, tax and legal.

**LehmanBrown International Accountants:** The tax perspective, new Capital Gains Tax legislation, stamp duties.

**Atlas Blue Property:** Old Build vs. New Build Property Projects in UK, rentals and yields compared to the north and south of England.
